

# **MISSION HILLS CONDOMINIUM ASSOCIATION LAUNDROMAT POLICY**

There are two on the property. One is located on Mission Hills Boulevard and the other is located on Mission Circle.

- The operating hours are from 7:30 AM to 10:00 PM seven days a week.  
NOTE: The last load(s) must be started by 8:30 PM.
- NO CANADIAN QUARTERS – these coins jam the machines!
- Washer run time is approximately 30 minutes and the cost is \$1.50 per machine.
- Dryer run time is approximately 75 minutes for our older machines, but 45 minutes for our four new dryers; the cost is \$1.25 per machine.
- These are community machines; therefore, each resident is requested to use no more than two (2) machines at one time.
- Do NOT open washers while they are running.
- Residents MUST return promptly to remove their laundry from the machines, so the next resident can use them.
