

# MISSION HILLS POST

## NOVEMBER 2019

FROM THE DESK OF JOE BOOTH

Many thanks are in order. To Helen Strupczewski and Joanne Hess for all their time and talent in putting together the training program for the team that will assist us with the interviews of new buyers and renters. To all the residents involved in helping us have a successful Annual Budget Meeting. A lot of time goes into this from counting proxies to registering attendees.

Just a reminder...if you are planning any type of improvement to your unit be sure to contact the office and advise them as to what your plan is so you do not violate any restrictions we may have.

Please be advised that the regular scheduled Board Meetings held on the 3rd Wednesday of each month will be changed. Meetings will be held on an "as need" basis and may be held in the clubhouse. This is necessitated by the extended absence of some board members and without a quorum a work session cannot be held. Please watch the bulletin board and the post for scheduled meetings. We will post the meeting notice 48 hours before or earlier in advance of any meeting as required by statute. We apologize for any inconvenience and will appreciate your understanding.

Our winter compliment of residents are beginning to arrive. The community will soon be a beehive of activity. We have been enjoying very nice weather and have been spared from any bad weather. Let's keep our fingers crossed.

We need to ask all residents to slow down when driving on our roads. We have been seeing too many speeders. No one likes speed bumps, but we don't have a choice.

**BOD MEETINGS WILL  
BE HELD ON "AS  
NEED" BASIS. CHECK

### **FINANCE REPORT—JOE BOOTH**

Reporting for the period ending 9-30-19. We are under budget for the month by \$17,800. We are over budget Year to date by \$45,300. Some of that may be retrieved. The budget is a reasonable guesstimate of what we expect to take in and pay out. But it's not written in stone. Variables present themselves during the year. We stay on top of all delinquencies, and all monies owed are collected in accordance with the law and the statutes. We continue to work on roof replacement and carport repair and replacement. Mission Hills is an older community and we strive to do the best we can to stay on top of keeping the property updated.

As I have mentioned before...as association members and owners we own this property and it's our responsibility to keep it up. Assessments are part of living and life in any condo community. We have had them and we have been able to keep them low compared to other communities. Our maintenance team is focused on preventative measures and doing quality work. They are part of our success as a destination of choice.

Please feel free to contact me at any time to meet and discuss our finances.

### **NEIGHBORHOOD WATCH—MIKE PHILBIN**

Your Neighborhood Watch is a dedicated group of volunteers who go out nightly, helping to keep our community safe and quiet...as we like it! I was asked if only owners or full-time residents were eligible to join, and the answer is NO! If you live here and you enjoy the Mission Hills lifestyle, come on aboard! Remember, the Bingo games, dances, dinners, card games....and of course, these patrols are here because of the unselfish volunteers who make them happen. These are a few of the activities that make our community a popular place to live, so why not join in! Your timing is perfect. with Daylight Savings Time ending in a few days (already? Wow!), those candlelight dinners at 5 PM returning, many people will be walking to or from a lot of Clubhouse activities. Your Neighborhood Watch folks will be driving around slowly and visibly, showing drivers that our 20 MPH speed limit is enough. In addition, the patrollers are out there looking for burned-out lights, illegally parked cars, and, of course, suspicious people or activities. We report, we don't "do"! Other people fix the lights... we call 911 if we see something the Clearwater Police should do. You'd be providing a very appreciated and necessary community service to our neighborhood. Stop by our next meeting.

Not a night owl? Your schedule is our schedule. With the earlier darkness, some volunteers go out after dinner, and why not? If you are not available "late" in the evening, we can still use and appreciate your service.

We'll have a brief meeting on Thursday, Nov. 7 at 7 PM. Come early, stay late! Check us out. Join. We're all family here! If you're unable to attend, call me at 727-796-3191 Mike Philbin

## ATTENTION ALL HOMEOWNERS

### NEW AC INSTALLATION PROCEDURE

Elsewhere in this edition of The Post you will find a new form that **MUST** be completed and returned to the office **before** the installation of a new air conditioning unit can be installed. You will need to complete your personal (name, street address, phone number, HVAC company, HVAC phone number, & scheduled installation date) & return to the office. You will need to instruct your HVAC company to contact the office on the date of installation, prior to arrival on site. We will take it from there. This only takes a minute of your time and will help us to help you make sure the installation is complete.

See the new form on page 5.

### 🙏 It's Time for Us To Share Our Thanks 🙏

For several years now we have been collecting boxes of **Cereal** for Metropolitan Ministries food pantry.

For the next two weeks, until November 16<sup>th</sup>. Once again, we ask **you** to **contribute boxes of cereal** for this important organization.

The cereal can be dropped off at **1517 Arrowhead Circle** and we will have them delivered to the Food Pantry. We also will be happy to pick up any donations if you call us at 669-8558.

**Compliance**

Compliance is  
Conforming to a  
such as a specific  
goal that organization  
need for operation

**NOW YOU KNOW**

The package of information regarding the complete details regarding **COMPLIANCE** had been published in the April, 2019 issue of our Mission Hills Post (repeated below).

The functions of a Compliance Committee as it is written in the **Florida State Statute 718** were clearly outlined.

Since you are now armed with that information, this would be a perfect time for you to become a part of something very positive for Mission Hills.

All interested residents are requested to write their name and phone number on a slip of paper, place it in a sealed envelope and label it "Compliance", ATTN: Kay Hunt. Drop it in the office mail slot and you will be notified of an interview date and time.

**Remember: you are not required to be a full-time resident.  
You must, however, be an owner.**

You have the laws .. now let's form the order!

---

**COMPLIANCE COMMITTEE AND HOW IT FUNCTIONS**

Our Management Company, Ameri-tech, tours our community and notes violations of our By-Laws, the Declaration, or the Florida State Statute 718. The results of this initial survey are given directly to the Mission Hills Board of Directors.

**So what, then, is the role of the Compliance Committee?**

Chapter 718 Florida Statutes (718.303(3)(b)), dated July, 2018, states, in part that "A fine or suspension levied by the board of administration may not be imposed unless the board first provides at least 14 days' written notice to the unit owner and, if applicable, any occupant, licensee, or invitee of the unit owner sought to be fined or suspended, and an opportunity for a hearing before a committee of at least three members appointed by the board who are not officers, directors, or employees of the association, or the spouse, parent, child, brother, or sister of an officer, or employee. The role of the committee is limited to determining whether to confirm or reject the fine or suspension levied by the board. If the committee does not approve the proposed fine or suspension by majority vote, the fine or suspension may not be imposed."

**The preceding paragraphs are key to understanding the role of a Compliance Committee. The committee does not search the community for violations, report violations to the board, nor determine what a fine will be. What the committee does do, if requested by the resident(s) is to meet with him, her or them and review the situation and decide whether the fine proposed by the board is fair and reasonable.**

Hi Ladies,

Would you like to participate in a small group of women who meet once a month to encourage and lift each other up? If so, you are welcome to join us. We call ourselves, "Women of Hope." We meet at 2959 Flint Dr. S on the last Tuesday of the month at 6:45 PM.

We all have good and difficult seasons in life, and maybe you are experiencing an emptiness or void in your life today, or maybe you are in a good place. Whatever season you are in, we would love to have you to join us as we encourage each other in the hope we have in the Lord.

If you are interested please call Kathy at 727-409-5637.
