

MISSION HILLS POST

OCTOBER 2019

FROM THE BOARD BY JOE BOOTH

ANNUAL BUDGET MEETING – OCT. 16TH, 7p.m.

The Board of Directors, with input from the Finance Committee, has worked very hard to produce a budget for fiscal 2020 that will enable us to address more of the challenges arising within our community and still be considerate of all our homeowners. This was not an easy task and took a great deal of deliberation, more deliberation, adjustment & more adjustment until we got it together. The next step is up to you homeowners – there are **two things** you need to do. **First thing** is to get your proxies in as soon as possible! Drop them at the Mission Hills office or mail back to Ameri-Tech. (Envelopes are in your packets.) **The Second thing** is pretty important – vote YES to waive the fully funded reserve budget. These figures (included in your packet) display the reason for partially funding the reserve accounts:

	<u>Partially funded reserves</u>	vs.	<u>Fully funded reserves</u>
1Bd/1Bath	\$379.86/mo.		\$809.56/mo.
2Bd/2Bath	\$493.51/mo.		\$1,061.97/mo.
2Bd/1Bath	\$459.45/mo.		\$986.34/mo.
2/1 Spec.	\$463.44/mo.		\$995.19/mo.

As you can see fully funded reserves mean our maintenance fees are more than double each month. This is the reason we ask you to **vote yes to waive fully funding reserve accounts!**

Help us to help you by following these two requests. The proxies are important, even if you plan to attend the meeting, because it helps us determine if we will have a quorum and be able to conduct the meeting. If there is no quorum, State Law says we must go to the fully funded reserve account figures. Your vote to waive fully funding reserves will allow maintenance fees to be more manageable for homeowners.

REMEMBER: IT TAKES ALL OF US TO KEEP EXPENSES IN LINE, WITHIN BUDGET!

(Packets available in the office if you didn't receive yours in the mail. If you did not receive a packet, fill out a "Resident Info Update Form"-in our office - to confirm correct mailing address.)

FROM THE BOARD & FINANCE REPORT - JOE BOOTH

BOARD REPORT

Your maintenance fees pay for the watering of the common areas. Our irrigation system. We have reports of residents using personal sprinklers to water the common area near their units. This use of water is unnecessary and excessive...and very expensive. This practice must stop. The members are not required to pay for a few people to use and waste our water for areas that are covered by their condo fees. Also we see some people watering their plants and the common areas with hoses...after or during a rain. This is pretty stupid and a waste of water and members money. WATER IS VERY EXPENSIVE IN PINELLAS COUNTY. Please continue to report this abuse. The use of hoses is a privilege not an entitlement. Don't abuse it. We are trying to monitor areas in the front and rear of units for excessive growth and vegetation that is out of control or unsightly. Don't hesitate to report units to the office for review. The good news...We are hopeful of putting together our compliance team soon that will review fines for violations. Once this is solidified every resident will receive information how this will work to make Mission Hills more manageable.

The end of Sept., and Oct. mark the beginning of the return time for our winter compliment of owners and guests. It's going to get busy. Let's hope for a safe season as hurricane threats won't end till Nov 30.

Everyone enjoys the POST. It can get very lengthy. In an effort to reduce the number of pages that we use we will try to conserve space. It's a heavy load for the phase reps that have to deliver it by hand. And its time consuming to put together. We are just trying to conserve. Article size may change. We hope everyone will be understanding. Not everything can be printed. If anyone would like to donate paper for its printing, please see Sue.

FINANCE REPORT

|
For the period ending 8/31/19 we are over budget for the month by \$16,428. YTD we are over budget by \$63,200. Budgets are guestimates based on history and prediction. We can't predict unexpected problems. Some of the excess can be recouped most not. We still have a way to go. We are on top of our delinquencies which are far less than we have ever had. Between the Board, Ameritech and our lawyers we pursue all monies owed.

From the Desk of Vicki Buchheit

Budget Meeting packets are available in the office if you don't receive yours within a reasonable time. (You came south while it was going north.)

Please get your Proxy in as soon as possible so it can be counted. We need to know if there will be a quorum which is needed to conduct the meeting.

NO PLASTIC BAGS, OF ANY KIND, OR PLASTIC WRAPPING (LIKE THE KIND THAT COVERS PACKAGES OF WATER/SODA) IN THE RECYCLE BINS!!!

Again, you are urged to check those running toilets/dripping faucets. We've had another alert from the City regarding water consumption overage in another Phase. This is a humongous waste of money that is being diverted from its original goal, keeping another priority project from getting done. PLEASE help prevent this waste of money.

Feeding wild animals is against the law in Florida: including squirrels. Squirrels are rats with bushy tails, you know. They are destructive: will gnaw into soffits, getting into the building air spaces and thus into the walls. What a costly mess trying to get them out before they die in there causing really foul odors. **DO NOT FEED THE SQUIRRELS, PLEASE!**

There are quite a number of units with neglected, unsightly flowerbed areas. Please get them cleaned up. If you are unable to do so, an "After Hours" work order can be submitted and you can pay a crew member to do the job. You can hire someone you know to do the job. If they are not cleaned up, our crew will remove the plantings & return the area to common ground, with a bill to you for the work. Remember this is common area that's been converted to your use and becomes limited common area with the same responsibilities as a patio. Patios are to be kept in a neat, clean condition also!

The rule of thumb for condo living is that nothing permanent can be done that will change the outside appearance of the buildings. This especially applies to doors and windows. Always work on the premise of replacing with "like" items. Guidelines are available in the office. Anything that might already have been done that is not in keeping with the general appearance of the community will have to be replaced at the homeowner's expense.

ATTENTION ALL HOMEOWNERS NEW AC INSTALLATION PROCEDURE

Elsewhere in this edition of The Post you will find a new form that **MUST** be completed and returned to the office **before** the installation of a new air conditioning unit can be installed. You will need to complete your personal (name, street address, phone number, HVAC company, HVAC phone number, & scheduled installation date) & return to the office. You will need to instruct your HVAC company to contact the office on the date of installation, prior to arrival on site. We will take it from there. This only takes a minute of your time and will help us to help you make sure the installation is complete.

See the new form on page 7.

Lemon Chicken Orzo Soup

30 minutes to prepare serves 6-8

(a Face Book recipe submitted by Helen J. Strupczewski)

INGREDIENTS

- 1 tablespoon olive oil
- 2 carrots, peeled and diced
- 1/2 yellow onion, diced
- 3 cloves garlic, minced
- 8 cups chicken broth
- 1 cup orzo pasta
- 3 cups cooked and shredded chicken
- 3 eggs
- 1/2 cup lemon juice (about 3-4 lemons)
- 1 cup fresh baby spinach
- Kosher salt and freshly ground pepper, to taste
- 3 tablespoons fresh dill, chopped

PREPARATION

1. Heat olive oil in a large stockpot or Dutch oven over medium heat. Add carrots and onion and sauté until soft, about 10 minutes. Add garlic and sauté one minute more.
2. Add broth and bring to a simmer. Add orzo and cook until soft and tender. Stir in cooked chicken and remove from heat.
3. Whisk eggs and lemon juice together in a small bowl. Temper your eggs by scooping some of the hot broth from the soup pot and mixing it into the egg mixture.
4. Add warmed egg mixture back to the soup pot slowly, stirring constantly, until smooth and creamy.

Rides to Airport...

Hi Ladies,

Would you like to participate in a small group of women who meet once a month to encourage and lift each other up? If so, you are welcome to join us. We call ourselves, "Women of Hope." We meet at 2959 Flint Dr. S on the last Tuesday of the month at 6:45 PM.

We all have good and difficult seasons in life, and maybe you are experiencing an emptiness or void in your life today, or maybe you are in a good place. Whatever season you are in, we would love to have you to join us as we encourage each other in the hope we have in the Lord.

If you are interested please call Kathy at 727-409-5637.
