# Mission Hills Post

## BOARD REPORT

By Eudora Partridge, President

**H**i Mission Hills!  
I am still in New Hampshire. I am staying in touch, so if you need me, you can always send me an e-mail about anything important.

I want to thank the maintenance team for their hard work and determination in keeping Mission Hills a beautiful place to live.

I know that hurricane season is upon us. Please make sure anything that can get pushed around in the wind is secure. I hope you all stay dry in the rainy season.

Just a reminder that wipes are not biodegradable and should not be flushed but put

in the trash. We have had too many incidents of blocked sewer pipes. That is costing us money unnecessarily and takes away from other projects. Thanks in advance for your cooperation.

Once again, we need to talk about front doors. The correct door needs to be a six or eight panel door. No glass is permitted.

Have a great rest of the summer. ★

***Stay healthy and safe,  
Mission Hills.***

## Keep Your Porch Lights On!

**T**his has been noted in the *Neighborhood Watch* articles by Susan Salesses for months now, and yet people are still not turning on their porch lights at night. If you need a dusk to dawn bulb, you can get one from Susan for just \$5. Then just leave the switch in the on position, and your light will come on automatically. Please contact Susan at 727-754-8421, and she will get one to you. *Please keep your porch lights on at night for the safety of our community! Thank you!! ~ The MHCA Board of Directors ★*

# NEIGHBORHOOD WATCH

By Susan Salesses

Well, here we are at the beginning of August. The summer sure is flying by! Area students will return to classes in a week or two, so do be on the lookout for school buses and students waiting at bus stops in your morning and afternoon travels.

Thankfully, we have had a pretty quiet summer here in The Hills. We do thank everyone who is turning on their front lights each night. We have a way to go to get everyone participating, but each week we add more and more participants to our group as I deliver the dusk to dawn LED lights. Remember, they are just \$5 and last years. Call Susan at 727-754-8421 to get yours! We so appreciate your lights being on to assist us with our patrol, to assist emergency vehicles, and to deter any strangers.

A reminder that if you do see suspicious activity here in The Hills, please call 911 for an emergency or 727-562-4242 for a non-

emergency. It is also helpful to know that the address for the Clubhouse is 1401 Mission Hills Blvd. I suggest putting this information in your phone, so you have it when needed.

Many thanks to those who patrol our streets each night. Our team works on a rotating basis and they each cover one night each week. We thank them for their time and for helping to keep our community safe. Our team members include: Marcee Baker, Mary and Joanne Dunn, Lee Ann Kaufman, Bob and Pat Loretto, Mike Philbin, Anne Richter, Peter and Susan Salesses, Bob Stowell, Roger Tomlin and Amanda Wilshire.

If you are interested in being a part of our team, just let Susan know.

Enjoy the month of August!! ★

# DOCUMENTS COMMITTEE NEWS FLASH!

REMINDER: The Mission Hills Documents Committee has completed reviewing the Statute 718 for this year. We have also completed the two resident requests to review specific parts of our documents for possible approval of new proposed amendments.

We won't be holding a regular meeting through July 1<sup>st</sup> when the new laws are passed. We will then review Statute 718 to ensure that there is no direct impact on our documents. However, the Committee is always available to our residents to help them navigate our various documents, such as the By-Laws, the Declaration, our Policies and Procedures, plus any other issues that may arise. No need to guess or hear that one neighbor said this while the other said that...just go right to the source and let us do the job we have volunteered to take on for our community.

If anyone does wish us to review any part of our documents for possible amendment, please follow the process found on our website under the Policy and Procedures section.

Feel free to reach out to us with any questions or issues

that you might need clarified. Contact Helen at [vetnerz2@gmail.com](mailto:vetnerz2@gmail.com)

## E-MAIL BLAST

Submitted by Helen J. Strupczewski

The E-mail Blast is alive and well here in our community. There have recently been computer/phone issues where only part of the address books were being sent, but I have since resolved those issues...I hope. LOL!

I do apologize to those who have not been receiving messages, and fingers crossed that we are all good to go!

All you need to do is send your e-mail address directly to me (Helen) at [vetnerz2@gmail.com](mailto:vetnerz2@gmail.com), and I will add you to the E-mail Blast address book. **That's all there is to it! Stay in the loop...join the E-mail Blast!!!**

***And here's another tip: Don't toss the monthly Post. It's always loaded with detailed information about the goings on of the little slice of paradise we call Mission Hills.***

## MISSION HILLS SEMINARS

Submitted by Helen J. Strupczewski, Pat Loretto, and Joe Booth

Our Seminar Team has completed their presentations for the season. We know that many of our planned sessions had to be cancelled for a variety of reasons.

We are happy that we have been able to present a few very informative seminars for our Mission Hills residents.

If you have a suggestion for any future seminars of interest, please reach out to us. Simply provide us with the name of the presenter and the subject matter. We can take it from there.

Thanks to all who attended, and we are hoping to be able to continue providing quality seminars of interest.

# Mission Hills Diamond in the Rough

Submitted by John Prokopovich  
Facilities Maintenance Supervisor

Greetings, Mission Hills!

Here's what's going on in Mission Hills from the perspective of the Maintenance Department:

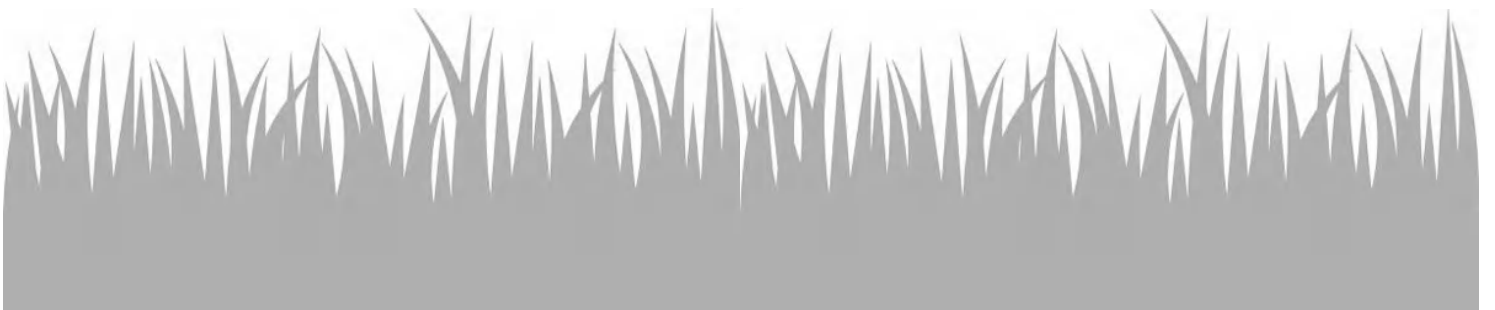

- ◆ Thank you for your continued support of your maintenance team.
- ◆ Reminder: The second and fourth Tuesday of every month between 9:00 AM and 12 PM is the large garbage drop off at the Clubhouse.
- ◆ Landscaping throughout the community is being addressed. The strong winds and heavy rains are affecting the area, and we are averaging between 2,000 and 4,000 pounds of sticks/branches that need to be picked up.
- ◆ Please put yard clippings inside a bag and place by garbage cans.
- ◆ SAFETY ALERT...be aware of your surroundings. There is a person who has been sleeping under the canopy and walking through our community. He has been asked to leave several times and continues to return. We have also had roofing material stolen from our community, which has delayed the work on building 14.

I would like to thank the residents of phase 3 for their patience with the hot water line breaks.

I would also like to thank the community for their continued patience on our sewer back ups. We have been addressing them and are working diligently on solutions. In the meantime, please do not put any type of wipe down the toilet into the sewer system. The wipes cause plumbing problems with your down line residents by blowing the seals out of the toilets and spilling water on the floor, along with backup sewage.

Your maintenance team had an offsite event at the BayCare Baseball Field. Food and drinks were provided, along with recognition on the billboard! Everyone enjoyed a spectacular 12½ minute fireworks display. The event was privately funded.

*~ Appreciate good people. They are hard to come by. ~*

# Tree Insights Event

Submitted by Debbie Higgins

**W**e have an opportunity to meet with a leading authority on trees in HOA and Condo associations, Master Arborist John Snow. There are less than 1,000 master arborists worldwide, and John's expertise is specific to communities like Mission Hills. This is an excellent opportunity to learn about trees, including:

- ◆ Proper Pruning
- ◆ Preparing for Hurricane Season
- ◆ Future expectations about managing mature trees (we have many mature trees)

As a bonus, John has agreed to be available for a question and answer period.

I'm scheduling a Zoom call with John that will take place in the Clubhouse living room on Thursday, September 29, 2021, at 2:00 PM. *We need to have at least 20 people participate in this event, or it will be cancelled.*

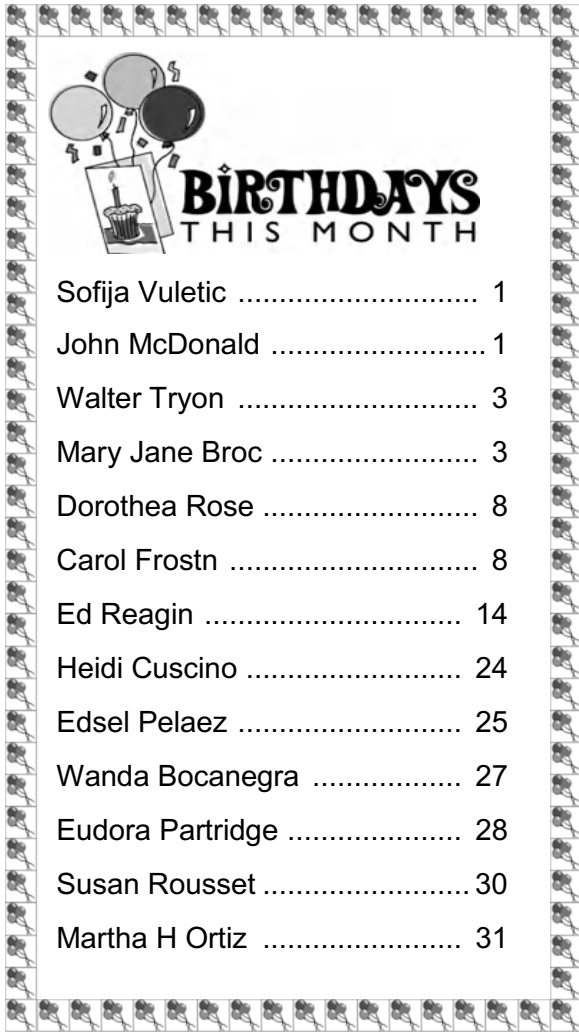

If you would like to attend, please contact me, Debbie Higgins, at 727-204-2286, or send me an e-mail at [mhca.posteditor@outlook.com](mailto:mhca.posteditor@outlook.com) to register for this event. *The registration deadline is **September 23, 2022.*** You can either meet us at the Clubhouse for the group Zoom meeting or, if you prefer to attend from the comfort of your home, let me know and I will send you the Zoom link.

I appreciate your consideration of this worthy event!
