

MISSION HILLS POST

OCTOBER

2024

Rosh Hashanah, the Jewish New Year, is one of the most important holidays in the Jewish calendar. It marks the beginning of the "High Holy Days" or "Days of Awe," which are ten days of introspection and repentance leading to Yom Kippur, the Day of Atonement.

Rosh Hashanah is a time of reflection, renewal, and preparation for the year ahead.

Yom Kippur, known as the **Day of Atonement**, is the holiest day in the Jewish calendar. It is observed ten days after **Rosh Hashanah**, concluding the "High Holy Days."

Purpose: It is a day dedicated to atonement and repentance. Jews seek forgiveness for their sins from God and others.

Yom Kippur emphasizes spiritual purification and the chance for a fresh start.

Canadian Thanksgiving: (Second Monday in October, October 14, 2024) – Canadian Thanksgiving celebrates the harvest and other blessings of the past year.

Columbus Day Christopher Columbus sailed from Spain with three ships: **Niña**, **Pinta**, and **Santa María** arrived in the Caribbean islands on October 12, 1492, marking the beginning of European exploration and colonization.

Halloween (October 31) – Celebrated in many countries, especially in the U.S., Canada, and parts of Europe. People dress up in costumes, go trick-or-treating, and decorate with spooky themes. Booster Club Halloween Party October 26, 2024.

FROM THE PRESIDENT'S DESK

The message today is **Compliance**. But what does compliance mean?

At its core, **compliance** refers to adhering to a set of rules, standards, or regulations established by a governing body or an organization. In various contexts, compliance can take on slightly different meanings: It could be legal, corporate, or on an Association or community.

Community or Association Compliance: In the context of neighborhood or condominium associations, compliance often refers to following community rules and bylaws, such as maintaining property standards, pets, signs, parking, vehicle regulations, etc

In our specific community, compliance ensures that everyone follows the rules and regulations that keep Mission Hills a clean, safe, and welcoming place to live. It involves property maintenance, neighborhood etiquette, and cooperation with city codes, all contributing to a harmonious living environment.

Compliance is essential for maintaining a peaceful and well-organized community, but it's important to note that no current board members have created the rules. These regulations have evolved as Mission Hills aged, adapting to the needs of the residents to ensure better living conditions.

This board strongly believes that the majority of residents want the rules to be enforced, and this assumption is based on the numerous emails and complaints we receive regarding violations. The board's role is not to impose arbitrary rules or favoritism but to act in the best interest of the community, ensuring that the standards agreed upon by previous generations are upheld for the benefit of all.

When residents express concerns about loose animals, illegal pets, unvetted residents, unlicensed vehicles, unauthorized motorcycles, offensive or controversial signs, or other disturbances, they are essentially asking for compliance, requesting that the rules be followed to preserve the quality of life we all enjoy. By enforcing these guidelines, the board is fulfilling its responsibility to ensure that Mission Hills remains a safe, pleasant, and cohesive place to live.

If residents feel that the **Policies and Procedures** (P&Ps) of Mission Hills infringe on personal rights of expression or other constitutional rights, it's important to remember that these issues have been already debated extensively in courts of law.

P&P's is basic community living etiquette to improve harmony and property value.

Residents may purchase windows and doors, but that doesn't give them the right to post anything they like under the guise of 'freedom of expression.' If everyone were to express themselves freely by placing flags and signs all over the property, having multiple animals of any kind, allowing multiple unvetted families to live in units, or parking any type of vehicle—vans, trucks, school buses, RVs, campers, motorcycles, etc Not sure if that is the place we want to live in.

The first letter is a courtesy letter, meant simply to point out something that needs correction. If you receive a Courtesy Letter, respond immediately, this helps everyone.

We are meeting with the Compliance Committee to, one more time, outline everyone's responsibilities.

Mission Hills Monthly Maintenance Report

By Ken Vasquez

August was a tough month with storms including heavy record amounts of rain.

Roof leaks were reported and addressed asap Repairs were done on the roofs & interiors of our residents.

With the rain, the grass was a constant project as it grew quickly. Exterior repairs are ongoing.

The clubhouse fans & lights were replaced and our crew replaced & installed new ceiling tiles for a new look showplace.

Huge trees that were knocked down by the storm were removed & other branches & brush were cleaned up. A dangerous tree was removed.

A huge hole off Mission Dr East was a sewer drain that collapsed adding to another time-consuming project with outside contractors' help needed.

Add to garbage, recycling, and repairs on mowers, gators & trucks, the crew has gone above & beyond to maintain this property with the quality expected.

We thank you for trusting us to fulfill your needs.

Thank you for helping to make your home better.

We appreciate the many drinks & snacks you drop off. Looking forward to cooler weather.

Ken Vasquez

Blood Pressure Screening

Submitted by Marie Purcell

Come get your blood pressure checked in the Clubhouse living room from 2:00-3:00 PM on Wednesdays. Anyone who would like to have their blood pressure taken is welcome to stop by during this time.

Can Tabs for Ronald McDonald House

Submitted by Melody Walsh

Please save your soda and other can tabs and deposit them in the PINK bin located in Clubhouse lobby. They will be taken to the Ronald McDonald House to be used for their needs to make the families' stay easier and more comfortable.

FROM THE WELCOME TEAM:

We would like to welcome our new residents to Mission Hills: Nancy Rizzitano, and Marilyn Dombrovsky. If you run into them, please welcome them to Mission Hills.

Arlene Doutre is coming back soon and we hope she can return to her Welcome Team's duties with Christine Picard. It has been a hot and wet summer and we will return to normal operations soon.

FROM THE COMMUNICATIONS TEAM:

It has been pretty quiet on the communications front. I still get anonymous requests, not sure why. If you need us to get something done in common areas, just place a work order and add your name and phone number so we may do a bit of investigation for its solution.

Compliance has been the topic of today, I don't need to elaborate on this subject any longer. We are working with the Compliance Committee to work out details.

The Post was very clear, outlining who to call when. Please follow those directions, and you will get a faster answer and better results. If you call the city, you are inviting them in, they will help you in what they can.

Unresolved issues: Signs on property, motorcycles, unvetted residents, and patios out of compliance, to mention a few.

Something good to share is the lights in the Clubhouse. The Booster Club has purchased them with the funds they raise from you with the activities we have in the community. The board has contributed some, yes "reluctantly," like someone expressed on FB. The reason is "reluctantly" is because every time the board spends money, remember it is YOUR money.

BEAUTIFICATION TEAM:

Nothing has changed. If you need help with the landscape, ask Pat Banning, she offered complementary help or our crew. Some of it will not be charged and some of it, might. It all depends on the work.

RESOURCE TEAM:

Some have asked who the members of the Resource Team are, the Resource Team is fluid. Understand that one of our board members IS the Resource Team and is committed to helping Mission Hills even if he is not a board member, offering his expertise to the community and the board has been invaluable.

Last month, we had a meeting with roofers, residents stepped forward and attended the meeting and provided insight. We will solicit participants as projects come up.

DID YOU KNOW THAT . . .

. . . Mission Hills has a great website for your use? www.missionhillsccondos.org is where you will find all the information that you need to know about life here in our community. Our newsletters, documents, minutes of meetings and so much more are available for you to read. You may also request a login to obtain information on financials, insurance and contracts. Do check it out!!!

- . . . the speed limit in Mission Hills is 20 mph? We are still having issues with many people speeding, especially on the boulevard. PLEASE SLOW DOWN!\

- . . . our pool is open from dusk to dawn? With shorter days approaching, know that our pool will be opening later and closing earlier.

NEIGHBORHOOD WATCH by Susan Salesses, Coordinator

Life in the Hills has thankfully been pretty quiet in the evenings. Members of the team patrol the streets each night and we are happy to report that most residents are following the rules. We are going to be watching for the following this month:

1. All vehicles must be registered to be parked in Mission Hills. And, as a reminder, NO commercial vehicles are allowed. Vehicles not in compliance, will first receive a ticket and will then be referred to the compliance committee.
2. PLEASE, PLEASE, PLEASE leave your front door light on each and every night! This is for your safety, the safety of your neighbors and to assist the neighborhood watch team. Emergency vehicles are having difficulty finding specific condos and if your area is not lit, we cannot find the condo that is in trouble. Also, when people come home in the dark and have to walk back to their condo, it is a definite hazard if they have to do it in the darkness. So, be considerate of others and turn your lights on. We sell LED dusk to dawn lights for just \$5 to help you out. All you do is put the bulb in, tape your switch on and you never have to think about it again. The LED bulbs cost just pennies a month to use.
3. Be sure that your car and any bikes that you may have outside are locked each night.

Thank you for doing your part to keep Mission Hills the safe place that it is! If you are interested in becoming a part of our team (involves about 2 hours a month!), please contact me for more information.

Have a happy October and start to the fall season.

Stamps for the Wounded Project

Thank you everyone, for saving your stamps for this worthy cause. Residents of Mission Hills have collected thousands of stamps. This is an ongoing project, so keep them coming! Stamps are collected year-round. Brochures explaining the *Stamps for the Wounded* project are in the collection box.

To donate the stamp, **please leave a minimum of 1/4" of the envelope bordering the stamp(s).** *This is a change* Lately stamps have been donated with little to no border which makes it difficult to peel the stamp from the paper backing.

Stamps may be left in the in the STAMPS FOR THE WOUNDED box on the table outside the Club House office.

BON APPETITE FOR OCTOBER

Ingredients needed for Vegetable Beef Soup:

- **Oil:** used to brown the beef and aromatics before adding them to the slow cooker.
- **Beef:** any cut of beef will work! The crockpot does a great job at tenderizing normally tough cuts of meat.
- **Carrot, Celery, and Onion:** the trio of veggies, called a mirepoix, that creates a flavor base in so many soups and stews.
- **Tomato Paste:** adds richness and flavor depth.
- **Garlic:** I like to use freshly minced garlic for the best flavor, but pre-minced will work as well.
- **Seasonings:** you need a simple blend of salt, dried parsley, dried thyme, paprika, and black pepper to give this soup tons of flavor.
- the amount of salt you add yourself.
- **Additional Vegetables:** I like to use a blend of potatoes, canned and diced tomatoes, fresh or frozen green beans, and frozen corn.
- **Tomato Sauce:** thickens the broth and adds even more flavor.
- **Bay Leaf:** adds a subtle undertone that helps enhance the other flavors within the soup. Be sure to remove the bay leaf before serving!
- **Brown the beef, veggies, and aromatics:** In a frying pan, heat oil then add in the beef. Cook until browned. Add in carrots, celery, and onion, then stir in tomato paste and seasonings. Cook for 1 minute.
- **Combine and cook:** Transfer the beef/veggie mixture to the slow cooker, then add in the broth, veggies, and bay leaf. Cover and cook on low for 8 hours.

Red Kettle Bell Ringing

Greetings to our Mission Hills residents. Once again, I am looking for volunteers to ring the bell for the Salvation Army's annual Red Kettle Drive. This caring organization provides much needed help not only during disasters, but year round for all of those in need. The date is Saturday December 7th at our local Walmart on SR 590 from 10:00am until 8:00pm. I'm asking volunteers to sign up for a one hour shift and certainly bring a companion if you would like. Last year our little group - Friends at Mission Hills - collected \$352.83 during our one day Bell Ringing. We have been informed that all monies collected are used in helping our local community. My name is Joan Carlson and I am a resident in MH. Please call me to volunteer for one hour or to ask any questions regarding this effort. Thank you so much. If I don't answer, please leave your name and number and I will return your call as soon as I am able.

EMAIL BLAST

(submitted by Helen J. Strupczewski)

The primary purpose of this Email Blast is to keep our Mission Hills folks informed about the really fun stuff and various activities that are here in our little slice of paradise.

We have found over the past 8-1/2 years that this a pretty valuable tool for communications. It has always been a challenge to be able to reach out efficiently to a community this size. Not everyone goes to the pool or to the clubhouse and we have found that this method is a suitable (thought not perfect) addition to our toolbox. We have also created our own Face Book Page (Mission Hills, Clearwater, FL) and post the same activities reminders there as well.

Having said all of this, if you are a newbie or more seasoned resident and would like to be put on the mailing list, just drop me (Helen) a line a vetnerz2@gmail.com ... I will happily add you!

Regards to all ... and see you in the Hills!!!

Pickleball Anyone?

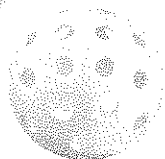

It has occurred to us on more than one occasion that the basically unused area which now holds the shuffleboard courts would make a great space for a pickleball court (or 2)

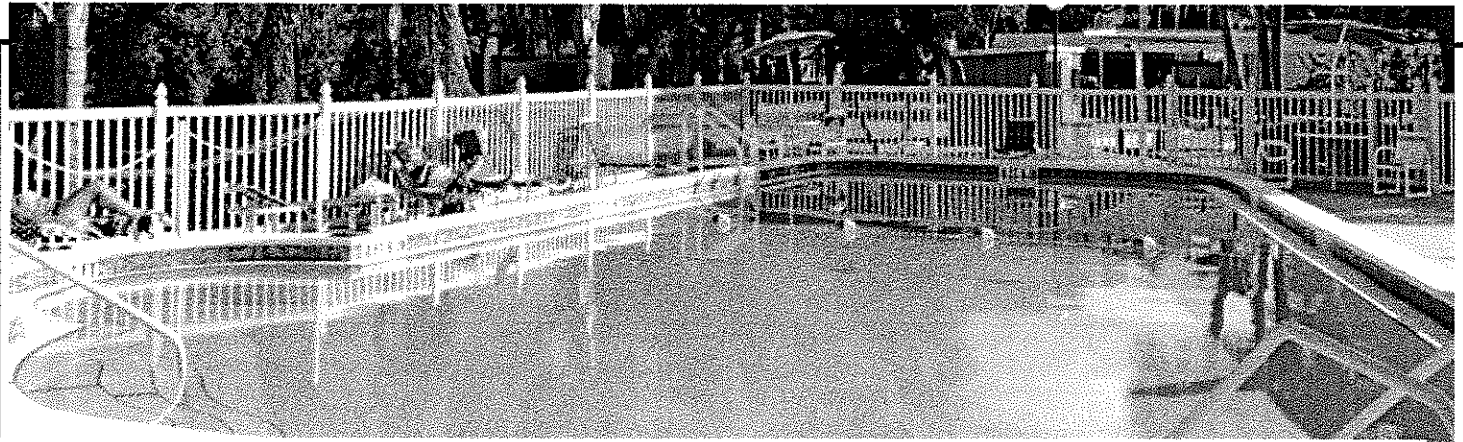

Anyone else have that idea?

Going forward we are going to get some initial information regarding the creation of a pickleball court and plan a time for those also interested to meet and make some plans. Obviously, this will not happen overnight as the rules and regs of the condo association will need to be followed and the board will need to examine and eventually vote before anything takes place.

But let's get the (pickle) ball rolling!

Anyone interested please contact Sandy Kallin at 610-850-5511 or Chip Spencer at 336-467-8051 and let's talk!
