2024

Flag Day commemorates the adoption of the American flag. It originates from a proposal by Bernard J. Cigrand in 1885. President Woodrow Wilson officially recognized Flag Day in 1916, though it's not a federal holiday. It's celebrated on June 14th with flag-related events and ceremonies to honor the national emblem.

Flag Day observances often include ceremonies such as the Pledge of Allegiance, flag-raising ceremonies, parades, and patriotic speeches. Many schools and communities organize events to teach about the history and significance of the American flag.

Flag Day is also an occasion to emphasize the importance of respecting the flag and the principles for which it stands. Proper flag etiquette is often emphasized, such as displaying and handling the flag with respect.

The first day of summer, also known as the summer solstice, typically occurs around June 20th or 21st in the Northern Hemisphere. This is when the Earth's axial tilt is most inclined toward the sun, resulting in the longest day and shortest night of the year. It marks the official beginning of summer and is celebrated in various cultures with festivals and traditions.

Father's Day is a holiday celebrated to honor fathers and father figures, as well as the influence of fathers in society. It is typically observed in many countries, including the United States on the third Sunday of June. On Father's Day, people often express appreciation and gratitude to their fathers through gifts, cards, and special gestures. It's a time to recognize the important role that fathers play in families and communities, and to show them love and appreciation for their dedication and support.

Vision in the Community:

From the President's Desk

This message will be about vision—the future of Mission Hills and what residents expect this community to be and look like.

Personally, I feel that right now, today, we have a dream team: an accountant, a lawyer, a GC, and then Al and me.

Al and I have been building our board for what seems like a year now. I'm very proud of our team, though it's unfortunate that Jone has sold her unit and needs to be replaced. I'm not sure how we will manage that, as she is a tough act to follow.

But, we will do it one more time.

Jone is leaving a legacy of what a Condo board treasure should be and looks like, and we have taken note. I will miss her, she has been a fountain of knowledge for us. We hope we can fill her shoes somehow.

At all times, this board strives to keep our emotions balanced and our authority in check. While the law grants us certain powers, we constantly question our ethics before making any decision. The needs of the many outweigh the needs of the one.

More importantly, it is crucial to understand what residents want for Mission Hills. How do YOU see the future of Mission Hills?

Chances are, some of us will not be here after March next year. It will be up to you to choose aptitude over friendship to ensure that something like this never happens again.

Our original goal was to tighten up expenses and avoid special assessments. In a way, we have done that.

This is a large property and at the same time a small community with 477 units. Do we want the freedom to behave and treat others as we want, or do we want to behave and treat others the way we would like to be treated?

We are updating the premises with new paint where needed, such as inside the clubhouse, the parking spots, and caution markings. We are also trimming trees, planting flowers, and doing anything that makes someone visiting Mission Hills feel this is the place they would like to live in.

But, we can only do so much. Now, YOU have to think about what is next. What do you want Mission Hills to look like in the future? What kind of community do you want to live in? THAT, will be up to you.

Treasurer's Report

By Jone Burr

April 2024 Treasurers's Report

I wanted to say goodbye to all of you! I will miss you. My unit sold very quickly and legally I have to step down as the treasurer. I sincerely believe that Mission Hills is in position to have a good year financially. The current board watches the spending carefully and will continue to do so.

In April, we had a great month! Revenue was \$283,309.06. Expenses were \$261,241.97. For the month, we are \$22,067.09 under budget. Year to date, we are \$91,035.30 under budget! Delinquencies are \$23,742.95 and we have one account being handled by the attorney. Another account was paid in full after the financials came out. Year to date, we are over on utilities. Water and sewer are over \$7751.49 combined because of long running toilets that were discovered. Legal is over \$4,942.92 this month. This is due to a posting error. Funds for the attorney for the lawsuit should have come from reserves. This was corrected by Ameritech and will be reflected in the May Financials.

Mission Hills Monthly Maintenance Report

by Ken Vasquez, Service Dept. Supervisor

This past month was challenging, first off with the water restrictions in place our lawn has taken a beating.

Sprinkler repairs have been constant since without daily use, they get clogged with sand and rust.

Also, too many cars are parking on the grass edges which ruins the sprinklers.

The crew has started many wood and paint work orders. We will do as many repairs as possible. Thank you for your patience. Jose is doing a great job.

Carport roofs are next to be replaced or repaired.

All gutters are now installed.

One termite issue was resolved. Please exterminate your unit for termites, roaches, ants, etc.

The pool is reported to be perfect.

We had a huge water line break which the crew responded quickly and had the water back on in about half a day. Kudos to Oscar, Jason, and Mark.

We had a few recycling issues which have been resolved.

Many branches have broken off but have been repaired with Raul and Jason's expertise. All have been taken care of safely.

As we all work together, our community is getting better and easier to maintain an excellent quality of life.

Take a minute to check on your neighbors, you may be the one who may needs help next time.

Keep Your Porch Lights On!

This has been noted in the *Neighborhood Watch* articles by Susan Salesses for over a year now, and yet people are still not turning on their porch lights at night. If you need a dusk to dawn bulb, you can get one from Susan for just \$5. Then just leave the switch in the on position, and your light will come on automatically. Please contact Susan at 727-754-8421, and she will get one to you. *Please keep your porch lights on at night for the safety of our community! Thank you!! ~ The MHCA Board of Directors **

Game/Gym room: Pool Table, Ping Pong Table, and workout equipment.

We have a room at the Clubhouse for members' use, which includes 2 treadmills, a stationary bike, and weights. This equipment has been donated by residents and is not commercial grade. Treat it gently.

The Pool Table has recently been reupholstered, courtesy of the Booster Club.

The other entertainment equipment we have available is a pool table/ping pong table converter. We just purchased ping pong balls for your enjoyment; please count them at the end of your game to ensure they are all accounted for.

Please be kind to all the equipment available and after you are done, keep it clean for the next residents' use.

The room is maintained by your C.O.A. and is for the enjoyment of residents and their guests only. Users must be 18 years and older to use the facility and must be accompanied by a resident.

Mission Hills Swimming Pool

The Mission Hills property and pool are private-use facilities for members and their guests. Pool rules are posted in the pool area. Please take the time to read them and always keep safety in mind while at the pool. Club use is a privilege afforded to all dues-paying members of the Mission Hills Condo Association. All residents should be able to enjoy our clubhouse and pool without having anyone ruining their day. The club property is under 24-hour video surveillance. If you see something, say something. If you observe any suspicious behavior on the property, don't hesitate to get in touch with the property management company, the office during business hours, or the police. Do not engage with violators. Stay safe!

PLEASE DO NOT BRING FOOD OR DRINKS, OR SMOKE IN THE POOL AREA.

The weather is Florida perfect right now, we will be turning chillers on when the temperature rises.

POOL HOURS

ARE DAWN TO DUSK

When the volunteers are locking up the pool and ask you to leave, please do so.

Also the pool bathrooms will be closing and locked at 9:45 pm .

Please be respectful of these times.

BOARD OF DIRECTORS COMMUNICATIONS

Submitted by the MHCA Board of Directors

Reminder: The MHCA Board of Directors has a new tool to communicate directly with you, the residents. To be added to our email list, please contact us at:

missionhillsboardblast@gmail.com

Join the Board Blast

From the Welcome Team:

We would like to welcome our new residents to Mission Hills: Evelyn Matos, Christine Gralton, Daniel & Lisa Thompson, Sandra Kallin, Patricia Peres and Joan Sharp. If you see them, please welcome them to Mission Hills.

Updates to remember:

As you know, we have a work order process through the website. It is used quite a bit, and we encourage residents to utilize it. It saves you time from going into the office, and requests are handled promptly.

We have hired a new cleaning company, and I hope you notice the difference. They are working on a month-to-month basis with no specific scope. This means we can tell them what needs to be cleaned, and they will do it. We have committed to using their services for three months or until we can find personnel to do it in-house.

The subject of the pool bathrooms came up and the showers have a lot of oil and are hard to keep clean. Please use the shower by the pool for rinsing before showering in the bathroom.

We have discussed the Team concept in the past, and we are still committed to it. We invite those who are interested to come forward, organize it, and take leadership. Mike Spooner has reviewed the trees report and received some training on this matter; he could use help. Heather has championed assistance for residents and received training on hurricane preparedness; she could also use help. Previously, a resident helped with plumbing issues, and now we need an electrician to assist with electrical consultations for the clubhouse. If you have electrical experience, please contact us.

We are **still looking for at least five neighborhood watch volunteers**; it requires only one hour per month. Additionally, **we need a volunteer to unlock and lock the pool**. The person who was handling this is out of town, and we need someone to take over. All this volunteer work is very helpful.

We hope residents will step up to avoid hiring outside companies for these tasks. Hiring a surveillance company or someone to lock the pool is costly. We ask for your help. Please contact Susan Salesses, and she will train you for the neighborhood watch.

Some housekeeping items.

1. Ensure you fumigate your units for termites, roaches, ants, etc. This will help the community with unnecessary termite tenting. Its cost could run anywhere from \$5,000 to 6,000 dollars.
2. Do not bury trees or place any plants on the ground. Use only pots. Always check with the service department.
3. While the crew is working on the wood, please ensure that plants and pots are not close to the building to provide them with enough space to work.
4. Do not use outside water except for light watering of pots. No pressure washing. That is city water and is expensive. Save water!
5. Lock the trash bins after being used to avoid Wilde animals getting into them.
6. Don't feed Wilde animals.
7. Place recycling items in the correspondent bin
8. Avoid the disposal of needles, glass, or items that may cause injury to the crew while picking up the trash.
9. Do not park on the grass. We have a high expenditure on irrigation supplies due to this practice.
10. We are a NO PET COMMUNITY. Please do not "dog sit" for a friend. Your animal must be registered in the office as either a service animal or emotional support. No other animals or pets are allowed on the property.
11. Animals must be walked on a leash and owners must pick up after your animal.

DID YOU KNOW THAT . . .

. . . water to your unit must be turned off in your absence and your AC must be kept no higher than 78 degrees? The water needs to be turned off in case of leaks or water issues and the AC must be kept on to prevent mold from growing in your condo and possibly spreading to your neighbors. It is a good idea to follow this practice even if you are going away just for the weekend. However, it definitely needs to be done if you are going away for a week or more.

. . . it's hurricane season as of June 1? Be sure that you have supplies ready, just in case. Also remember that everything on your front and back patios **MUST** be brought inside if there is a threat of a storm coming our way. This includes large plants and patio furniture, and anything that could "fly away" in a storm. We do not want items hitting the windows of our neighbors.

NEIGHBORHOOD WATCH by Susan Salesses, Coordinator

Thank you to everyone who leaves their front light on from dusk to dawn! We have so many residents now participating in this program to keep our neighborhood safe from intruders and well-lit for the safety of our neighbors. If you drive around Mission Hills at night, you can certainly see a difference. Please encourage your neighbors to keep their lights on if they do not already do so. And, dusk to dawn lights remain for sale at \$5 a bulb. Contact Susan at 727-754-8421 if you need a bulb.

It is hard to believe, but schools are now closed for the summer. We tend to have more teens and people walking our streets at this time of year. Be sure that your car and condo doors are locked at night and bikes and anything valuable outside should also be locked up. Remember, if you see anything or anyone suspicious, call the non-emergency number for the police 727-562-4242 to make a report.

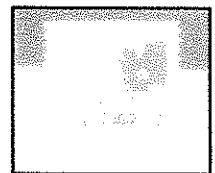

The car registration check for this year has been completed. I am happy to report that there were fewer cars this year without proper registration. Tag numbers and addresses have been reported to Ameritech and non-compliance letters are being sent to those without proper registration.

Our patrol team still has room for at least five new members. If you can share an hour of your time, twice a month, after dark, we would love to have you join us. Training is provided. Please call Susan at 727-754-8421 if you are interested.

Have a great start to your summer!

Stamps for the Wounded Project

Thank you everyone, for saving your stamps for this worthy cause. Residents of Mission Hills have collected thousands of stamps. This is an ongoing project, so keep them coming! Stamps are collected year-round. Brochures explaining the *Stamps for the Wounded* project are in the collection box.

To donate the stamp, **please leave a minimum of 1/4" of the envelope bordering the stamp (s).** *This is a change* Lately stamps have been donated with little to no border which makes it difficult to peel the stamp from the paper backing.

Stamps may be left in the in the STAMPS FOR THE WOUNDED box on the table outside the Club House office.

Grilled Skirt Steak Caprese

By Bobby Flay

FOR THE VINAIGRETTE:

- ✓ 1/2 cup balsamic vinegar
- ✓ 2 teaspoons dijon mustard
- ✓ 1/4 teaspoon kosher salt
- ✓ 1/4 teaspoon freshly ground black pepper
- ✓ 1/2 cup canola oil

FOR THE STEAK:

- ✓ 2 pounds skirt steak, halved lengthwise
- ✓ Kosher salt and freshly ground black pepper
- ✓ 4 ounces baby arugula
- ✓ 1 small red onion, halved and thinly sliced
- ✓ 4 ripe beefsteak tomatoes, thinly sliced

Instructions:

1. Make the vinaigrette: Whisk together the vinegar, mustard, salt and pepper in a medium bowl. While whisking, slowly drizzle in the oil and whisk until emulsified. Set aside.
 2. Place the steak in a baking dish. Add half the vinaigrette and turn to coat; let the steak sit at room temperature for 30 minutes.
 3. Heat a grill to high or a grill pan over high heat on top of the stove.
 4. Remove the steak from the marinade and pat dry. Season both sides with salt and pepper. Grill until lightly charred on both sides and just cooked to medium-rare doneness, about 4 minutes per side. Transfer the steak to a cutting board and let rest for 5 minutes.
 5. Meanwhile, mix the arugula and red onion in a large bowl. Add some of the remaining vinaigrette and toss to coat. Season with salt and pepper.
- Thinly slice the steak across the grain and arrange it on a platter with the tomatoes. Serve with the arugula salad.

Can Tabs for Ronald McDonald House

Submitted by Melody Walsh

Please save your soda and other can tabs and deposit them in the PINK bin located in Clubhouse lobby. They will be taken to the Ronald McDonald House to be used for their needs to make the families' stay easier and more comfortable.

They greatly appreciate any help that we can provide.

WAYS TO HELP LOWER THE POTENTIAL OF SPECIAL ASSESSMENTS

It has been addressed in the past but we can't stress enough the need to avoid disposing of wipes/towels in the toilet. Please use one ply toilet paper and do not dispose of anything else in the toilet other than that. This is one of the main reason why we have clogged pipes. Our pipes need to be treated with TLC. Please help.

Mission Hills is in dire need of volunteers to deliver the Post. It has been a long tradition to provide this service to our residents. We ask for your help once again. The other option will be to leave them in front of the office for residents to help themselves or receive them electronically through the Mission Hills board blast or download it from the website. If you would like to volunteer, please contact Sue.

COIN LAUNDRY WILL BE INCREASING \$.25 PER LOAD FOR BOTH WASHERS AND DRYERS.

EMAIL BLAST

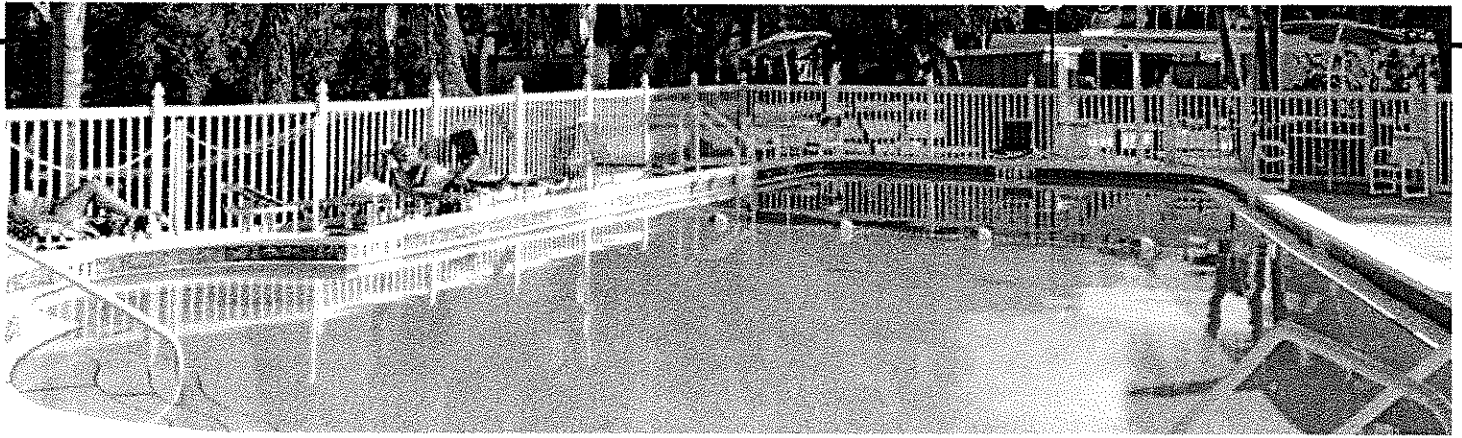

(submitted by Helen J. Strupczewski)

The primary purpose of this Email Blast is to keep our Mission Hills folks informed about the really fun stuff and various activities that are here in our little slice of paradise.

We have found over the past 8-1/2 years that this a pretty valuable tool for communications. It has always been a challenge to be able to reach out efficiently to a community this size. Not everyone goes to the pool or to the clubhouse and we have found that this method is a suitable (thought not perfect) addition to our toolbox. We have also created our own Face Book Page (Mission Hills, Clearwater, FL) and post the same activities reminders there as well.

Having said all of this, if you are a newbie or more seasoned resident and would like to be put on the mailing list, just drop me (Helen) a line a vetnerz2@gmail.com ... I will happily add you!

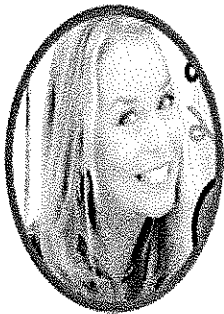

Regards to all ... and see you in the Hills!!!

We move Mission Hills!

Marsha & Jen have successfully teamed up over the past 10 years to help residents purchase and sell over 150 Mission Hills villas!
