# MISSION HILLS POST

---

## *Jelly's Jam*

Good morning everyone from the city where it's always sunny, Philadelphia. I am here to visit my two grandchildren. One of them has a dance recital but I'll be back in the Hills before you've even missed me.

Just a few things to mention briefly. Ongoing repairs to carports are being made so please heed any correspondence you get from Lexi about moving your vehicles and hopefully these carports will be done as quickly and efficiently as the last set were. The company we have doing them is doing a great job and we couldn't be any happier.

Secondly animals, there's been a lot of animals wandering around Mission Hills lately and I'm not talking about the kind that are allowed. I'm talking about wild animals. We've had a visit from an alligator. We've had a visit from a bobcat we've had visits from coyotes we've had visits from peacocks never mind the endless squawking and landing by the crows and the ever increasing number of squirrels in our neighborhood. I would ask that you all please refrain from feeding any of the animals, be they four legged or winged, we really are having a problem with an over abundance so please I ask you stop feeding the animals.

Another thing I'd like to mention is that we have decided as a board

that the cost of putting out the Post has become more and more expensive so we have decided to take a break for the months of July and August. We will not be issuing a post. We will communicate via email or Facebook since many of you seem to find your information there. We plan to begin door-to-door delivery again in September. We will still publish a monthly calendar and a brief listing of our advertisers and probably something from myself, but other than that, we're going to take a break.

I would also like to take a moment to remind you all that we are entering into the wet season in Florida so please keep an eye on your drains, your roofs, your lawn areas and if there are any problems, please contact Lexi in the office. If you can't contact Lexi in the office, you're welcome to email me. I have my email open all the time before calling the Ameritech emergency number. It's easier for myself and the rest of the board to make a decision as to whether we need to bring in someone from the outside to make any repairs in an emergent basis so please , be mindful and contact one of us before you contact Ameritech.

Another major point I'd like to make is that the speed limit in Mission Hills is 20 mph. That doesn't mean 27 mph, that doesn't mean 23 mph. That means you're supposed to be going no faster than 20 mph anytime in Mission Hills. Please slow down and if you have delivery people coming, remind them to slow down we've had many complaints from walkers from bicycle riders, from residence sitting on their patios watching people speed by. I assure you nothing is that important, please slow down.

I would encourage you all to get outdoors! Enjoy the beauty that is Florida summer! I know it can be very hot ! I know the pool is a nice place to come. We have some events going on in the rec hall that I encourage you all to attend and if you're looking for a great place to walk and get your exercise in, that doesn't cost anything and is cool, head over to the mall! I do indoor walking over there it's amusing because you get to look at all the people there and it makes for a good afternoon.

I wish you all a good summer and please know that I am always available to be contacted for anything. Take care, *Jelly*
